- Funding Organizations
- Fundraising Organizations
- Private Foundations
- United Fund Councils
- United Way
- Grant Making Foundations

Our Nonprofit Division provides superior insurance protection to those who have committed their time to serving others. With our cultural foundation centered around NS Cares, a 501(c)(3) nonprofit focused on supporting hunger and shelter initiatives, we have first hand knowledge of the challenges faced by other nonprofits.

We understand the importance of selecting an insurance program that is tailored to the unique risks that nonprofits encounter. We also understand the importance of giving back.

With this division, you can do both.

Honoring its commitment to our communities and caring, Norman-Spencer is donating 50% of its divisional profits from these programs to deserving nonprofit organizations!
